

School Uniform Shoes

Black **leather** lace up shoes are our uniform.

Leather tops.

Do not purchase this type of shoe as it is not part of our uniform.

These and shoes with canvas tops are not part of our uniform for safety in our Technology Centre.

During Terms 1 and 4 you may, if you wish, wear plain black or brown sandals but you will still need your black leather school uniform shoes from the start of the year as you go to technology each week.
